From (Name) R.Littlehales Esq., M.A., C.I.E.,
(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,

LAW EDUCATION Department.

Sir,

I have the honour to address Government regarding
the continuance of the temporary staff as mentioned in
the margin sanctioned for the Government Secondary school
12th April 1930. The middle school has been developed
into a complete secondary school and its present condition
is satisfactory. It is therefore desirable to continue
the school as a complete secondary school. When the open-
ing of higher forms in the school was recommended in my
letter R.O.C. 853 A/28, dated 26th September 1929 disposed
of in the G.O. referred to above it was expected that the
strength in the 3 upper forms would rise to 30 in a few

years. The expectation has been realised. The present strength of the upper forms is 30*

4. I consider in the above circumstances that permanent retention of the school as a secondary school is justifiable, but in view of the uncertainty of the duration of the present financial stringency, I only recommend that the above mentioned posts may be continued on a temporary basis for a further period of two years from the date of expiry of the present sanction viz 30-6-1933.

Provision for the temporary staff will be included in the Budget for the next official year which is now under preparation.

I have the honour to be,

Sir,

Your most obedient servant,

S. R. Savor.
